

WORK ORDER # 1202003

Dimock Residential Groundwater Site

Report 2 of 3

VOC, SVOC, Alcohols & Glycols

Since Glycols not included in Report 1 of 3 – need memo to file explaining need to move glycols to Part 2

Initial and Date by analyst/peer-reviewer on TRC needed

See notes on QC items for SVOC prep log (IS spiking solution ID, note in file why no spikes for 2 add'l compounds, writing note instead of post-it, etc.)

Site Name/WO on raw data

Longer term:

SOP for SVOC
